LITHIUM-ION

BATTERY SAFETY RANGE

FIRECHIEF®

making the world a safer place

FIRECHIEF HEAVY DUTY LITHIUM BATTERY FIRE BLANKET

A specialist range of fire blankets developed specifically for Lithium-ion batteries. The blankets are capable of withstanding extremely high temperatures for a prolonged period of time as well as being robust enough to offer protection against potential debris and shrapnel expelled during a battery fire event.

If your organisation produces, stores or transports lithium-ion batteries and associated devices, you need a comprehensive fire safety strategy which incorporates passive and active fire suppression systems. The Firechief Lith-Ex Battery Fire blanket is an important part of passive fire protection.

The Firechief Lith-ex Battery Fire Blanket is easy to store and easy to deploy. Available in a variety of sizes as follows:

- 2m x 1.8m
- 3.3m x 2.4m
- 9m x 6m

The Firechief Lith-Ex range also includes specialist Extinguishers and Fire Resistant Containers. Please contact us for details.

**MODEL:
BFB1/AVD
BFB2/AVD
BFB3/AVD**

Model Number	BFB1/AVD	BFB2/AVD	BFB3/AVD
